Directly in the Heart of Texas ensure easy access to the entire United States and shipping ports to ensure the fastest shipping time in the industry no matter where the product is being shipped

## New Company

# .... 20 YEARS OF PROVEN RELIABILITY!

US \$1.00

Family Owned Aadvantage Tables & Fence, Inc. of Whitney, Texas, proudly announces a completely new and innovative line of **Picnic Tables, Park Benches, and Trash Receptacles**. Located in Lake Whitney, Texas, using their state-of-the-art manufacturing facility centrally located in the Heart of Texas.

Robert Webb, Rodney Webb and Troy Stephens, the owners of Aadvantage, realized that not much has changed with thermo-plastic coated steel furniture in the past several years. Because of the family's extensive combined experience and skills – nearly 60 years worth between them and with the customer in mind, we came to the conclusion that we could provide outstanding quality, great prices, and develop a completely new product that revolutionizes the way the market thinks about commercial outdoor furniture. The facility has cutting-edge, automated machinery to make sure that any product you buy will be sturdy, perform as expected, and outlast any of our competition. One feature that sets them apart from the competition is the new MyTCoat coating system. This unique coating is the premier coating on any commercial outdoor furniture in the market today.

After Robert sold his former company, He and his sons started Aadvantage Panels & Fence, and started manufacturing high quality ornamental fence panels. After a few very successful years, the family decided to follow their passion back to the recreation industry and start building tables and benches again. With both sides of the company, Aadvantage can offer more products to the end users and help our sales representative companies offer more turn-key solutions for the park and recreation industry.

Aadvantage is dedicated to two main principles: 1. To provide premium-quality products with fast reliable service, and 2. Customer satisfaction - total complete satisfaction - is the main reason for being in business.

Rodney and Troy want to invite everyone to give us a call. Aadvantage will happily answer your questions, provide quotes or address any concerns anyone might have. More information and product illustrations are also available at our website, [www.mytcoat.com](http://www.mytcoat.com).

# MyTCoat

Commercial Outdoor Furniture

## Welcome to the next evolution of commercial outdoor furniture!

**MyTCoat** is a product line like nothing in the market today. **MyTCoat's** unique coating system produces the absolute **most durable coating on any thermoplastic coated steel furniture**. Unlike other coatings, **MyTCoat** has the highest adhesion rating you can obtain. Our signature coating exceeds other coatings such as plastisol and polyethylene in most if not all aspects. Like plastisol it has a thick coating with a **90% gloss shine and smooth surface, but without the drips and runs commonly found on plastisol coated products**. The surface is non-porous which means it is **impervious to stains, fungus, mold, mildew, dirt build-up, common acids, salts, and seawater**. Our products are not made with Plastisol so there are **no PVC's, Pthalates, Plastizer leaching, or any other environmental concerns**. As we share the good common traits of plastisol, we also share the good common traits of polyethylene. Like Polyethylene, **MyTCoat** is **UV and fade resistant**, and it doesn't crack, peel, or warp. **MyTCoat** **doesn't scar, scratch, or mar** like polyethylene products and no dull textured look to hide imperfections. Our coating is ultra-resistant to vandalism and cutting, and can be cleaned with little to no effort. **The durability of MyTCoat cannot be matched by any other coating, on any coated steel outdoor furniture that is currently being sold today.**

In addition to the MyTCoat coating system, our superior product design allows both ease of installation along with maximum capacity and comfort. **MyTCoat commercial outdoor furniture is made with high quality U.S. Steel produced by the latest in automated equipment and the most skilled craftsmen in the industry.**

- Drip free
- Thick Coating
- Scratch Resistant
- No marring
- Mold and Mildew Resistant
- No Plasticers
- No Phthalates
- Graffiti Resistant
- Fade Resistant
- Heat Resistant
- No Cracking
- No Peeling
- True Vibrant Colors
- Maintenance Free

**New Coating that is the most Durable Coating on any Coated Steel Outdoor Furniture**

**Graffiti and Stain Resistant, Virtually Maintenance Free**

**Smooth Finish that is both Scratch Resistant and Mar Resistant with no Drips and Runs**

### Adhere's to or Exceeds following standards

## Hardware

- Corrosion resistant.
- Chemical resistant.
- Weathering resistant.

Nothing is more frustrating that purchasing durable outdoor furniture and getting low grade zinc coated hardware that rusts out shortly after the product is installed, or getting stainless steel hardware that snaps when it's being installed

MyTCoat uses Xylan Coated hardware that gives extra corrosion resistance that galvanized hardware doesn't offer with extra strength that comes with stainless steel.

Brace Material	1-1/2" x 1/4" Flat Steel
Table Frame Material	
Pedestal and Arms	4" Square Tubing
Brace Material	2" x 2" Angle Iron

Another Option to MyTCoat's Rectangular Pedestal Tables is the Independent Frame Option. This style give a little more diversity to the pedestal tables and allows for easier access to seating

Square, Round, Octagon, Octagon Rolled, and Solid Top Pedestal tables give the same look as the portable, with the more heavy duty 4" x 4" pedestal frame. The more compact frame and raised seats give you a stationary table that is easy to mow under.

Campsites, Parks, and Apartment our just a few sites that offer grills to people for gatherings. My-Coat offers top-of-the-line Campfire Grills with High Heat Powder Coat to ensure that your grills looks good through many meals.

**Terms and Payment:** Terms will be set up on a per customer basis based on criteria set by Aadvantage Panels & Fence, Inc (MyTCoat). For customers who do not meet the requirements, prepayment for full amount of Invoice will be required before product is produced. Invoices are considered a sales contract and payment is due upon terms. If payment goes beyond terms a "Late Fee" may be incurred no less than 1.5% and up to 5% of total invoice excluding Tax (when applicable). Aadvantage Panels & Fence, Inc. accepts Business Checks (Personnel Checks are only accepted after check has been deposited and cleared by customers financial institution), and all major Credit Cards. When paying with Credit Card, customer may 1) Pay in person with no fee 2) pay via internet or phone with a small "service charge".

**Warranty:** Aadvantage Panels & Fence, Inc. (MyTCoat) offers a 7 year limited warranty on all MyTCoat coated parts, all other parts are warrantied for one year to be free of workmanship or material defects. In order for warranty to apply, all products must be installed and maintained properly. If an item falls under warranty, we agree to repair or replace that item. Warranty does not cover vandalism, disasters (man-made or natural), naturally occurring weathering and wear-and -tear, and improper maintenance or installation. For a copy of warranty information, please contact customer service.

**Cancellations:** All Cancellations must be approved by Aadvantage Panels & Fence, Inc. (MyTCoat) prior to shipping any product back. An RA (return Authorization) number must accompany any return paperwork as well as a copy of the Original Invoice and statement for the reason items are being returned. Return Freight shall be arranged by customer and any incurred freight expense for a return shall be pre-paid by customer. Any shipments returned without the RA number and paperwork will be refused by Aadvantage Panels & Fence, Inc. (MyTCoat). Any orders that are cancelled after product has been produced is subject to 20% of item sale price restocking fee. Custom Lettering, Logos, or Color will be approved by customer, after approval NO cancellation will be accepted.

**Freight Damage or Loss:** All shipments must be inspected at the time of Delivery (no exceptions). Any visible damage must be noted on the delivery receipt and Aadvantage Panels & Fence, Inc. (MyTCoat) must be notified immediately. If the damage is concealed, the customer must notify Aadvantage Panels & Fence, Inc. (MyTCoat) within 20 days along with a detailed description of the damage and pictures. Replacements for any freight damage will be at the customer's expense if any of the criteria above is not met. Customer assumes Title of goods at the time the product is loaded onto transport.

**Specifications:** All Specifications are available through customer service. Any product that is sold as "Accessible" adheres to the Americans with Disability Act 1990 guideline. Specifications are subject to change at any time, please ask for the most current copy of product specification before purchase.

All products are shipped un-assembled, assembly instructions are available through customer service.

MyTCoat is a licensed "Trademark" solely owned by Aadvantage Panels & Fence, Inc.
